“Proudly Celebrating Our 85th Year!”

December 2016

Dear Residents, Neighbors and Friends:

I want to wish all a Joyful and Healthy Holiday season. It's hard to believe that Thanksgiving is already behind us and the New Year is just around the corner. Time seems to pass by ever so quickly. And shortly, in March, our Village Elections will be here and I hope that you will participate. Along that note, I want to inform you that I have decided that **I will not be seeking re-election** as your Village Mayor.

As many of you may know, before running for the Mayors' office six years ago, I had previously served for eight years as Chairman of the Villages' Board of Zoning Appeals (BZA). After fourteen combined years as a Village official, I believe it is time for me to step aside and allow for fresh ideas. In fact, when I was running for Mayor, you may recall that I stated that I firmly believed in “term limits” for elected officials. At that time, I also made a commitment to myself and to my family that this would not be a life time position for me. Well holding to that promise, I have decided that the time has arrived for me to step aside and allow for change.

It has been an honor to serve as your Village Mayor for the past six years, and I am thankful for the opportunity to have been able to work with so many of you to help make our Village one of the finest communities anywhere. And of course, I am grateful for the way our Village residents came together in response to the natural challenges, such as Superstorm Sandy and Hurricane Irene, that we all had to endure.

I am proud of what the Village Board of Trustees and I have accomplished, as well as the work and accomplishments of the Planning Board, the Board of Zoning Appeals, the Architectural Review Board and our Village's Justice. These are all volunteer positions and we are lucky to have such dedicated individuals. I also want to applaud our Village's Staff members and those volunteers who assist them, who work so hard to serve the needs of our residents.

I look forward to what is in store for our Village in the upcoming years. It has truly been a privilege to serve you. And lastly, I want to encourage all of you to get involved in our community. If it were not for active community participation and involvement, we simply wouldn't be the gem that we are.

Respectfully,

Jeffrey B. Schwartzberg
Mayor, Village of Roslyn Estates

P.S. Don't please forget to always drive respectfully..... Our children and our pets really appreciate that!
